SPRING 2019 COMMENCEMENT

WINONA STATE UNIVERSITY

FRIDAY, MAY 10, 2019

ALMA MATER

Hail! Winona

Lo, in Mississippi's waters,
Blue the eternal sky;
In our hearts, O Alma Mater,
Clear thy spirit high!
(Chorus)

Noble hills watch o'er the valley
Where thy dwelling lies;
Steadfast hearts, O Alma Mater,
Guard thy destinies.
(Chorus)

Ever shall tomorrow better
What today hath won;
Lead thy children, Alma Mater,
On, forever on!
(Chorus)

CHORUS
Lift the chorus
Send it ringing
Far o'er hill and vale!
Hail to thee, O Alma Mater!
Hail, Winona hail!

*Words by Charlotte Chorpenning
Tune "Annie Lisle," arranged by Paul Yoder*

WINONA STATE UNIVERSITY

Spring 2019 Commencement

Friday, May 10, 2019
Memorial Hall - McCown Gymnasium

WELCOME TO THE ALUMNI SOCIETY

CLASS OF 2019

The Society of the Alumni of the State Normal School at Winona was organized in 1875 under the leadership of William F. Phelps. The society's objectives were to promote the relationship between the institution and its graduates and pupils, as well as to advance their mutual interests and the cause of popular education in the State of Minnesota.

Today, Winona State University has issued more than 50,000 degrees in over 160 years of existence. Our alumni and friends are spread across the nation and the world. As a member of the WSU Alumni Society, you have the opportunity to:

Share the Experience: Each year, the Alumni Society awards a number of \$1,000 scholarships to qualified new incoming students who are related to a WSU Alumnus or Alumna.

Advance Your Career: Career development is an ongoing, lifelong process. Take advantage of services offered to enhance your career, including assistance with job searches, career management, and free transcripts for all alumni.

Share Your Knowledge and Connections: As an alum, you can provide valuable professional expertise and assist in building bridges between students and employers. The Alumni College program offers the opportunity to return to campus and share where your education has taken you.

Be Recognized: Each year Winona State and the Alumni Society recognize individuals for their outstanding commitment to the university, its mission, and to improving our world. Distinguished Alumni Award recipients are graduates who have achieved prominence in their chosen field and who have made significant contributions to the university, bringing honor to themselves and to their alma mater.

Know Your Community: WSU magazine is distributed to WSU alumni, friends, parents, faculty, and staff. Keep up to date on campus news, faculty and student accomplishments, alumni achievements, and find out who got a new job, got married or had a baby!

Stay Connected: The office of Alumni Relations and the Alumni Society sponsor events, activities, reunions, and programs to help alumni stay connected to their alma mater and to each other. Our goal is to keep you, the alumni and friends of WSU, connected to this great institution.

Alumni Relations, Somsen Hall 206

FROM THE PRESIDENT

Congratulations to everyone gathered here today!

Congratulations to the students who have worked so hard for so long to achieve this goal. Behind your accomplishments is a story of courage, hard work, and commitment. Many of you have faced challenges that you thought would be insurmountable, yet here you are. You have had experiences here that have changed the way you look at the world and the way you look at yourself. This may have happened during study abroad or an alternative spring break project; or as a result of an internship, research project, or work-study experience; or because you participated in clubs, student government, music, theatre, dance, or athletics; or because of a mentoring relationship with someone on our faculty or staff. Your studies at Winona State University have opened up new ideas, new possibilities, new understandings, and even new worlds.

Congratulations to the family members and friends who have supported today's graduates. Thank you for being here to support your graduate on this special day and for entrusting your graduate to Winona State University. Your encouragement has made a tremendous difference in the lives of our students and in our campus community. The celebration of our graduates is a celebration of you, too.

And congratulations to those in the Winona State University community who have also given their all to help today's graduates achieve and succeed. Today is certainly a celebration of our students, but it is also a celebration of the dedication of Winona State's faculty and staff. Without you, none of this would be possible! Thank you for everything you do to make Winona State University such a distinctive place.

Our graduates know that Winona State University has a simple mission statement that sums up our essence: "a community of learners improving our world." Graduates, I hope that your time here was filled with pride in this community and with learning that enriched you in many ways. I also hope that you have only begun to improve our world.

Today marks the beginning of a new phase in your relationship with Winona State University. You have been a tremendous part of the life of Winona State, and we trust that we have been a tremendous part of your life as well. As your life progresses, our relationship with you will continue. This will be your home forever.

You became a Warrior the day you arrived on campus, and you will remain a Warrior forever.

A handwritten signature in black ink, reading "S. Olson". The signature is fluid and stylized, with a long horizontal flourish extending to the right.

Scott Robert Olson
President

ORDER OF EXERCISES

Patricia L. Rogers, Presiding
Provost and Vice President for Academic Affairs

*Winona State University is situated on the ancestral lands of the Dakota people.
We wish to acknowledge and honor the Dakota Nations and the sacred land of all indigenous peoples.*

Marketing - Rosemount, Minnesota
Mary Larson - College of Science and Engineering
Geoscience/Spanish - Columbus, Wisconsin

4:00 p.m. Ceremony

Clara Kuerschner - Winona State University
Social Science: History Teaching/Mathematics - Glencoe, Minnesota
Gretchen Leif - College of Education
Elementary Education/Health Promotion - Inver Grove Heights, Minnesota
Jake Edwards - College of Liberal Arts
Music Teaching: Instrumental/Music Performance - Savage, Minnesota

THE PRESIDENTIAL MEDALLION

Since 1967, each Winona State president has worn the Presidential Medallion as a symbol of a people's faith in education, in the responsibility of the office and in the guardianship of the university by the State of Minnesota.

The symbolism of the medallion lies within the framework of the letters of "Winona State University," which encircle and bind together the inner symbols. The equilateral triangle symbolizes the survival of man through the unity of science, literature and the arts. The circle depicts the endless movement of education and represents the world and man, incomplete without knowledge.

Aquamarine is symbolic of the Mississippi River and the 10,000 lakes of Minnesota, and topaz represents the golden grain of this great state. Garnet honors the citizens of Winona, who in 1858 asked the Legislature to establish an institution for higher education in Winona and gave land to provide a place for the university.

Diamond-set stars shine for L'Etoile du Nord, the Star of North, or the State of Minnesota. The trees denote the great forests, while the flowing lines at the triangle's base symbolize our streams and rivers. The fire of the opal stands for zeal, supportive of education as a social necessity. Purple alexandrite symbolizes the school color and the pride that our students and employees have for the university.

The Presidential Medallion was designed by Floretta Murray, professor emerita of the Winona State College Art Department, and gifted to the college by students in the class of 1967-68. The gems in the medallion were gifts of the citizens of Winona and Winona State faculty members as a mark of their esteem for the university and its memorable past.

THE UNIVERSITY MACE

A mace is a staff borne as a symbol of authority. The person carrying the University Mace, known as the Marshal, is the President of the Winona State University Faculty Association.

The University Mace has a circular medallion placed atop a metallic sphere. Inscribed on the sphere are the words "Founded 1858," the date Winona Normal School, which later became Winona State University, was established. The sphere and medallion are attached atop a long staff. The medallion in the Mace is derived from the Presidential Medallion.

The powerful symbolism of the University Mace makes it a distinctive and valuable part of Commencement.

ACADEMIC COSTUME AND PROCESSION

The traditions of academic apparel and procession date back to as early as the 12th century when the first “modern” universities at Bologna and Paris were centers of European learning. The usual garb of the time was a long gown — a necessity for warmth in unheated buildings of that era. Scholars, generally members of church orders, wore such robes as well as hoods to protect their shaved heads. Later, the hood became a cape that could be pulled over the head in unpleasant weather.

Today there are three basic types of gowns and hoods. The bachelor’s gown has pointed sleeves and is designed to be worn closed at the front. The master’s gown is designed with an oblong sleeve, open at the wrist, with an arc cutaway at the front of the sleeve. It may be worn either open or closed. The doctoral gown is full with voluminous bell sleeves, and it also may be worn open or closed.

The hoods worn by those who hold a master’s degree are lined with the official colors of the institution awarding the degree. Graduates of WSU receive a hood lined with purple and white. WSU faculty and administration members wear hoods that show the colors of the institution where their degrees were obtained. The binding or edging of the hood is silk or velvet and the color indicates the subject area or discipline as listed below.

Caps retain the traditional black color, but each tassel color has meaning. A gold tassel indicates a Bachelor of Science or Bachelor of Applied Science, white is Bachelor of Arts, pink is Bachelor of Music, citron is Bachelor of Social Work, light blue is Bachelor of Science - Teaching,

and royal blue is Associate of Arts. Black tassels indicate master’s and specialist degrees, and doctoral tassels are usually metallic gold.

Customs of the commencement processional vary a great deal. At Winona State University, the first to enter the auditorium at the start of the ceremony is the Marshal carrying the WSU Mace, followed by the stage party consisting of the president, guest speakers, deans of the colleges of WSU and other honored guests.

The degree candidates—the graduates—are next into the auditorium. The students process into the ceremony grouped by college and in alphabetical order. Each college of graduates is led in procession by a banner carrier who is academically one of the highest ranking juniors and who carries the banner for the particular college. The main WSU banner is also carried by a top tier junior and precedes the master’s degrees and where appropriate, sixth year and specialist degrees.

Within the individual colleges, the graduates march in order of their degree, first the graduate degrees, then the bachelor’s degrees, followed by the associate degrees.

Following the graduates in the processional are the faculty and administration. They enter the auditorium in the order of their seniority at WSU. The retired faculty and administration are also invited to process and enter as a separate group in a place of honor.

A number of the graduates wear honor cords to signify exceptional academic achievement (see below).

COLORS OF THE MASTER’S AND DOCTORAL HOODS INDICATE THE FOLLOWING DISCIPLINES:

Dark blue - Philosophy	Copper - Economics	Brown - Fine Arts	Golden yellow - Science
Light blue - Education	White - Humanities/Arts	Sage - Physical Education	Purple - Law
Apricot - Nursing	Cream - Social Science	Pink - Music	Citron - Social Work
Drab gray - Business	Silver gray - Speech	Crimson - Journalism	Green - Medicine

UNIVERSITY HONOR CORDS

Winona State University awards university honor cords to graduates who demonstrate exceptional academic achievement. WSU honor cords are worn over the left shoulder and indicate high academic standing or grade-point-average:

“Cum laude” - Purple cords - GPA of 3.60 to 3.74

“Magna cum laude” - Silver cords - GPA of 3.75 to 3.89

“Summa cum laude” - Gold cords - GPA of 3.90 to 4.00

For a listing of individual academic departments and other campus organizations that bestow honor cords or stoles on their graduates visit: winona.edu/graduation/honor-cords.asp.

WINONA STATE UNIVERSITY

A community of learners improving our world

The origins of Winona State University can be traced to the earliest days of the State of Minnesota. Although still a part of the nation's western frontier in 1858, settlers were rapidly populating the newly formed state. The Minnesota Legislature determined schools would be required for the state's children, and teachers would be needed to educate those students. Lawmakers passed an act calling for the establishment of a state normal school to prepare teachers.

When the citizens of Winona learned of the opportunity to be the home for the first state normal school, they raised \$7,000 in money and land nearly overnight. Because of the community's overwhelming support, Winona was quickly selected as the site for the first teacher training institution west of the Mississippi River. The Winona State Normal School held its first classes in 1860. As the school opened its doors, it began sending newly trained teachers out into the state to help meet the educational needs of its citizenry.

Throughout its history, the school's mission and goals have evolved to reflect the times and needs of the region and nation. Classes for students in Rochester were first offered in 1917. In 1921, the normal school became Winona State Teachers College, authorized to grant bachelor's degrees. Another name change, to Winona State College in 1957, reflected an expanded mission with the addition of bachelor of arts, master of science, and associate in arts degrees. In 1975, the institution earned full university status.

Winona State has grown into a vibrant university structured in five colleges: Business, Education, Liberal Arts, Nursing and Health Sciences, and Science and Engineering. Enrollment, including the Winona and Rochester campuses and the adult education and outreach programs, totals nearly 8,000. Undergraduate degrees are granted in more than 100 areas of study, while 28 graduate programs are offered, including the Doctor of Nursing Practice.

A comprehensive university that prepares students to be skilled, responsible, and active citizens, Winona State is recognized nationally as a leader in higher education. The university's innovative programs encourage active learning opportunities and respect for diverse ideas. Its incorporation of contemporary technology into the learning environment offers students many advantages in today's rapidly changing world.

As the university has evolved, the campus has grown. The historic Laird Norton building, located between campus and downtown Winona, has been donated to the university. Through the dedication of education, industry and community partners, the facility is being transformed into the Laird Norton Center for Art and Design, a dynamic facility that will integrate art and technology. The Center will feature a business incubator space; a contemporary art gallery; and a Foundation art gallery that celebrates the university's rich culture, history, and global connections.

Scheduled to open in Fall 2019, Winona State's Education Village aims to change the future of education. Education Village will support a full spectrum of learning environments to prepare education majors for real-world educational settings. Settings range from traditional classrooms with blackboards to advanced, technology-enabled active-learning classrooms, STEM labs, maker spaces, and special-education classrooms. This significant investment in our education programs will build on the university's history as a world leader in education and renew national and international recognition for teacher education at Winona State University.

Winona State is as committed today to providing a future filled with opportunity as it was when it was founded more than 160 years ago. With a clear vision of quality education, the university continues to fulfill its contract to improve the lives of the people of Minnesota, the nation, and the world.

Spring 2019 Commencement

College of Nursing and Health Sciences

9:00 a.m.

STUDENT SPEAKER

Lexie Adamsky

Lexie Adamsky, from Lake Elmo, Minn., graduates today from Winona State University with a Bachelor of Science in Nursing.

Four years ago, she was drawn to WSU by its academic reputation and the opportunities it offered, but her decision was

ultimately confirmed by an ineffable feeling of being “home.”

“When I toured WSU, I knew this town and university would be home,” she recalls. “I immediately felt comfortable on this campus and with the people I met.”

Adamsky qualified to receive an academic scholarship and was granted work study during her time at WSU. She says this allowed her more time to focus on her studies, and she took her dad’s good advice to heart—committing herself to studying hard and doing her best.

“My dad taught me the importance of working hard and that (through hard work) you can overcome any obstacle,” she says.

Adamsky also committed herself to exploring her interests and getting involved on campus.

Joining campus groups and organizations helped her to achieve personal goals and develop her leadership skills, Adamsky explains. Her roles with Delta Phi Epsilon sorority and Student Senate were particularly influential, and she met people who inspired and supported her.

“Through the organizations I have been a part of, I have been able to grow as a leader and help others grow and see their own leadership potential,” she says. “Through these groups, I have met incredible leaders who are passionate about helping others.”

Adamsky recommends all Future Warriors get involved and commit to campus organizations. “You’ll get out of it what you put into it!”

After graduation, Adamsky will begin working as a psychiatric nurse at Mayo Clinic. She says she is proud to be a WSU graduate because of the stellar reputation of the Winona State Nursing program.

“I am proud to wear my purple Winona scrubs when I go to clinical sites because we are known and respected as Winona State students,” she shares.

At the end of the day, Adamsky says the most important thing WSU taught her is a belief in community.

“You will always have people cheering you on and to be there to help you. Reach out when you need help. People are here to help and you do not need to struggle on your own.”

WINONA STATE UNIVERSITY

Spring 2019 Commencement

College of Business | College of Science and Engineering
12:30 p.m.

STUDENT SPEAKER

Alexander Holm

Alexander Holm, from Elk River, Minn., graduates today from Winona State University with a Bachelor of Science in ACS Biochemistry.

As the first in his immediate family to attend a four-year university, Holm initially had many questions about what college would be like.

Luckily he was able to attend WSU PALS Weekend his senior year in high school and experience college life firsthand.

"I met many friendly people and loved the campus atmosphere," Holm recalls. "I saw myself enjoying pursuing an education at Winona State before I had even started."

He was also impressed by the resources and opportunities WSU offered him, including scholarships and leadership roles.

"I'm proud to be graduating from a university where opportunities were all around me," he says. "WSU provided numerous resources to help me succeed. I just needed to find the right place to look."

Holm applied for and received the Ray C. Houtz Chemistry Scholarship, an annual scholarship awarded based on academic record as well as ability and promise in the field of Chemistry.

"It was a huge honor and accomplishment to be the recipient," he says.

Holm also joined the Pre-Dental Club and eventually became the club co-president.

"Here at Winona State, you get out what you put into it," he explains. "If you work hard and put in the effort, you will accomplish great things."

In addition to his academic work and campus involvement, Holm has been enlisted as a Dental Specialist in the Minnesota Army National Guard since freshman year. Each month he works at Camp Ripley alongside dentists to ensure Minnesota remains one of the best in the nation for soldier dental readiness.

Being successful at Winona State is about balance, says Holm.

"Winona State taught me the perfect balance in terms of prioritizing my free time with my education, friends and family," he adds. "This knowledge enabled me to remain productive and proactive."

After graduation, Holm plans to apply to dental school and pursue his dream of becoming a dentist.

"I wouldn't be in this position today if it weren't for support from my family, friends, and mentors," he says.

"I will never forget my time here at Winona State University."

WINONA STATE UNIVERSITY

Spring 2019 Commencement

College of Education | College of Liberal Arts
4:00 p.m.

STUDENT SPEAKER

Julia Jones

Julia Jones, of Brownsville, Minn., graduates today from Winona State University with a Bachelor of Science-Teaching in Special Education: Developmental Disabilities and a Bachelor of Science-Teaching in Academic and Behavioral Strategist.

Jones always knew that her future would center around teaching and inspiring young minds, and she was drawn to Winona State by the stellar reputation of the WSU Education program.

"I chose WSU because it was close to home, a fantastic environment, and it had an amazing education program," Jones explains.

The Special Education program in particular offered a supportive community that helped Jones, a first-generation student who had lost her father to cancer a few months before starting her freshman year, find her way.

"The Special Education program has an amazing team that worked their hardest to teach me about my future career," she says. "They pushed me to succeed and were always there if I had questions, needed help, or even needed advice. They were phenomenal."

Receiving the Pamela Kay Heuslein Memorial Scholarship in 2015 and again in 2017 allowed Jones to continue her studies as well as offered her some peace of mind.

"The scholarship helped to pay for books, school supplies, classes, and food," she shares. "It relieved many of the financial worries that come with college."

Jones found another great community on campus by joining student clubs like University Programming Activities Committee, Kappa Delta Pi Education Honor Society, Warriors for the Kids, and the Student International Literacy Association. Being involved on campus enhanced her educational experience as well as created close friendships and lifelong memories.

"I really enjoyed all of the clubs that I was able to participate in," she says. "They were all so fantastic."

After graduation, Jones has accepted a position as a Middle School Special Education teacher in Little Falls, Minn.

"I am proud to graduate from WSU because I will have graduated from a fantastic program with a degree in something I love. Because I have this degree I will be able to teach and inspire students for many years to come," she says.

"Everything worked out so well. I am lucky to have had the opportunity."

STAY CONNECTED

Share and follow Commencement on social media. **#warriorgrads19**

CAPTURE THE MEMORIES

To respect the dignity of the ceremony and allow all guests to see their degree candidates recognized, guests are not allowed on the floor of the arena and are requested to remain seated.

Lifetouch Photography

Arrangements have been made with Lifetouch Special Events Photography to photograph each degree candidate during the ceremony. Degree candidates will be able to review their images online 7 to 10 days after the ceremony. Visit **events.lifetouch.com/winona** for more information.

Questions regarding photography can be directed to specialevents@lifetouch.com, 800-505-9496, or click “Contact Us” at events.lifetouch.com.

Ceremony Video

The complete WSU Commencement ceremony is available on DVD courtesy of HBC Productions. Each DVD copy costs \$9.95 plus tax and shipping (\$2 per DVD). Order online at hbci.com/store.

Thank You to the WSU Foundation!

The purple robes worn by the Commencement Ambassadors and Banner Carriers at today's ceremony were funded through a one-time Special Projects grant from the WSU Foundation, which exists to foster and support the advancement of Winona State University and its students.

*A Community of Learners
Improving Our World*

Winona State University, founded in 1858, is the first of Minnesota's state universities as well as the first state-supported teacher training institution established west of the Mississippi River. As Minnesota's premier state university, WSU prepares students with high quality educational programs and student services in an all-inclusive learning community. Students experience rigorous programs and instructional excellence in an environment that respects diversity and fosters intellectual maturity.
